## HEAR FROM THE HEADMASTER

SPCS Families,

The month of August is quickly coming to an end. I am very appreciative of the outstanding start we have had. SPCS is blessed to have such an outstanding community of people working together to equip students to fulfill God's plan for their lives.

Our school is an exciting place! There are many after-school activities, athletic contests, and other events coming soon. Last evening we hosted our new family social. Thank you to our SPCS staff and especially all of the new families for attending. It was a special time and I am excited and grateful for the new members of our SPCS community.

Please continue to use the weekly Spotlight to obtain information and stay up to date. With God as our foundation, we can accomplish great things! My hope is that SPCS will always proclaim that "...no other foundation can anyone lay than that which is laid, which is Jesus Christ" (1 Corinthians 3:11).

In Him,  
Bobby Hunter

## UPCOMING EVENTS

**Elementary Parent Night**  
8/26/24

**Student Picture Day**  
8/27/24

**Labor Day - NO SCHOOL**  
9/2/24

**Conference Day - NO SCHOOL**  
9/16/24

welcome  
**BACK<sup>TO</sup>  
SCHOOL**

# 2ND GRADE

Mrs. Koon's students are developing new friendships through play and partner reading!

# Elementary **PARENT NIGHT**

Grades  
K-2  
6-7 PM

Grades  
3-5  
7-8 PM

Monday  
8/26/24

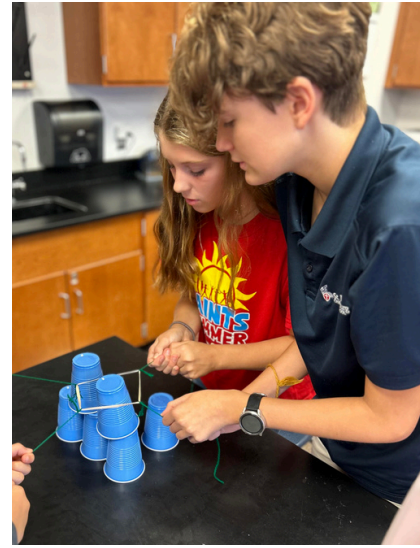

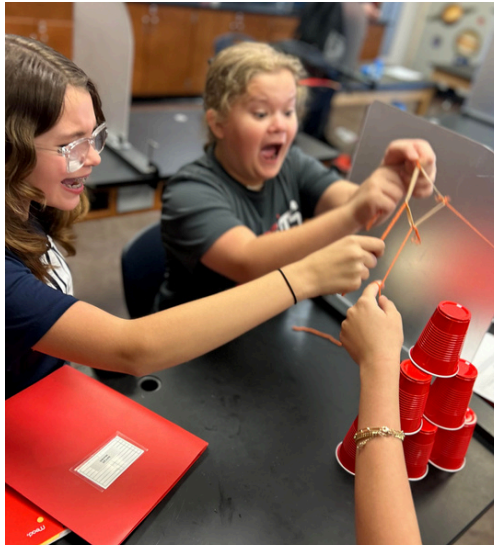

# Picture Day Tuesday 8/27/24

# 6TH GRADE SCIENCE

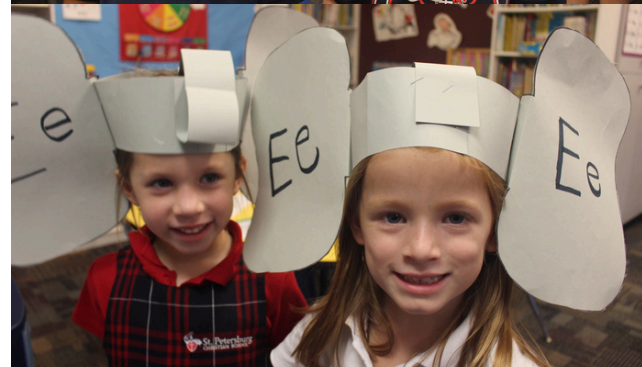

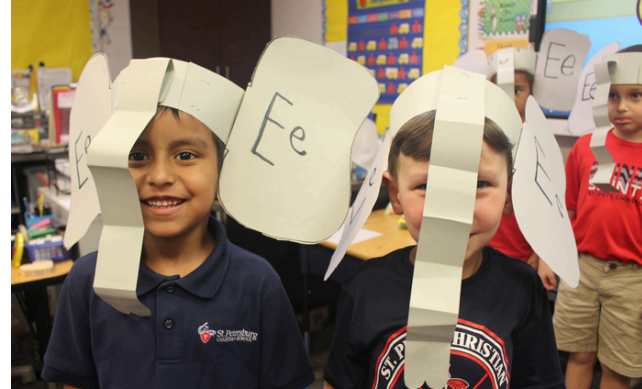

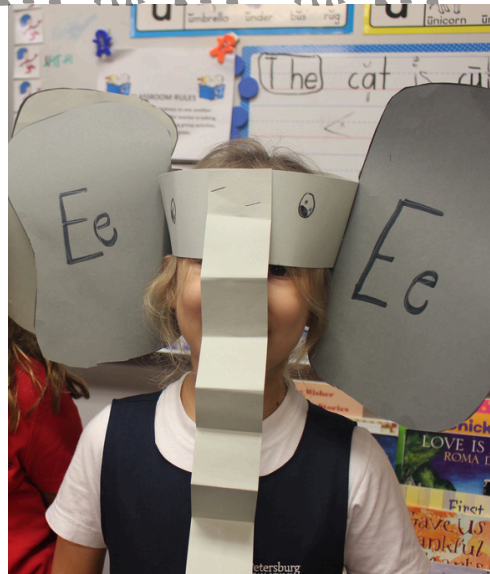

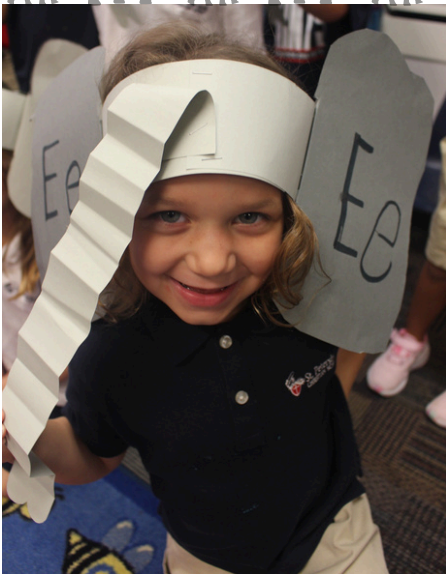

The 6th graders are beginning their school year with team-building activities. To prepare for their work in lab groups, students had to cooperate with each other and problem solve with their peers to create different cup formations while only using the tool they'd created and no hands!

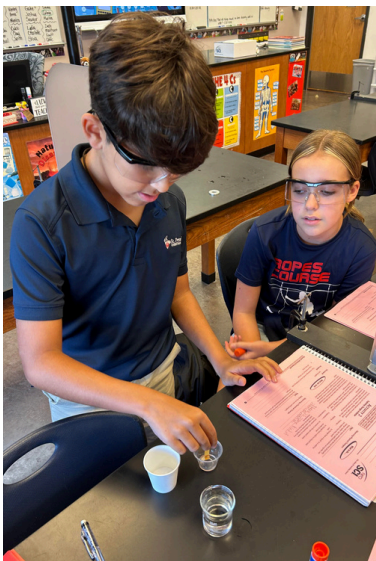

## MRS. KNOX'S KINDERGARTEN

Mrs. Knox's Class learned all about the letter E this week!

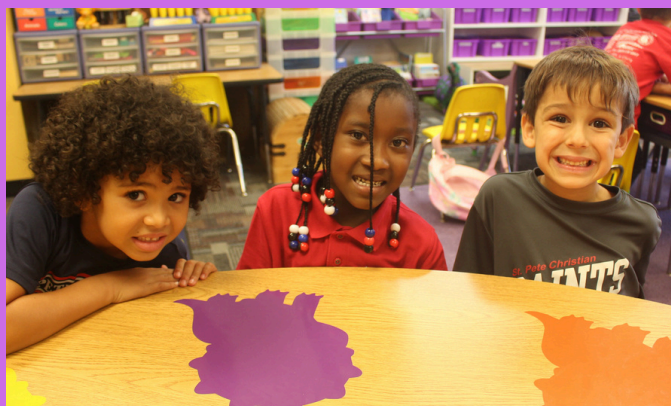

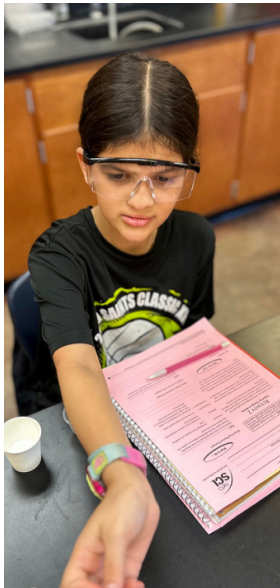

# 7TH GRADE SCIENCE

Seventh grade students launched into their study of biology this week. During a biochemistry lab, students explored the pH of specific materials. Lab partners assisted with reviewing and checking results as teams collected their data.

## MISS DORSETT'S KINDERGARTEN

Miss Dorsett's class is discovering learning is FUN in Kindergarten!

# FALL SPORTS UPDATE
