HEAR FROM THE HEADMASTER

SPCS Families,

The spirit of the season is all around the campus. Classrooms are decorated and hallways are adorned with special holiday projects. With all of the excitement, students are doing their best to stay focused as we wrap up the 2nd quarter. I am very proud of them.

Special events this week also helped us get in the spirit. Our Winter Music Program was entertaining and upbeat. Everyone looked and sounded great! On Thursday, there was a full house at Santa's Workshop and the gingerbread houses turned out great. Thank you to all of our faculty and staff that dedicated time to make those events a success!

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." John 3:16

In Him,
Bobby Hunter

UPCOMING EVENTS

Christmas Holidays
12/20/24 - 1/06/25

Elementary Honors Assembly
1/15/25

NO SCHOOL
1/20/25

Spirit Week
1/21-24/25

1ST GRADE SOCIAL STUDIES

First graders are enjoying their Christmas Around the World unit. This week they explored Christmas in Mexico with poinsettias, chips and salsa, and a piñata. They also sang Feliz Navidad.

7TH GRADE SCIENCE

Our 7th graders wrapped up their exploration of invertebrates this semester with a crayfish dissection. Students focused on both internal and external parts of their organism's anatomy to understand and compare various body systems such as the respiratory, circulatory, and nervous systems. Students have examined creatures from less complex to more complex in preparation for vertebrates second semester.

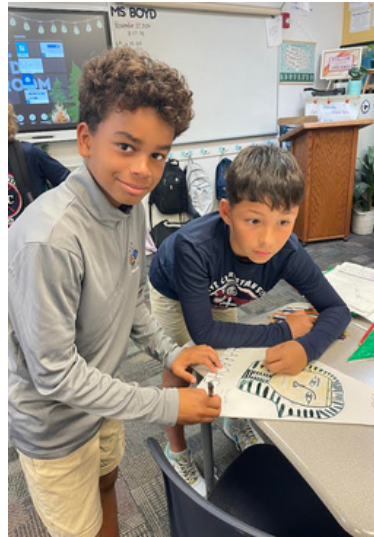

2ND GRADE SOCIAL STUDIES

Second graders learned a lot about Native Americans. In the Pacific Northwest, the Native Americans had symbols that represented their relationship with animals, nature, and their ancestors. They created totem poles that tell about their family. They presented them to the class and learned so much more about each other!

6TH GRADE HISTORY

In World History, 6th graders are working on their pyramid project to demonstrate all they've learned about ancient Egypt. Stay tuned for the final pyramids after the break!
