HEAR FROM THE HEADMASTER

SPCS Families,

Let me begin by wishing you all a Happy New Year! I hope you had the chance to catch up with friends and family and enjoy some rest and relaxation over the extended break.

As we approach the holiday honoring Dr. Martin Luther King JR., I am reminded of one of my favorite quotes of his, "Our lives begin to end the day we become silent about things that matter."

One of the things I appreciate most about our SPCS staff is that we are not silent about the things that matter and together we continue to provide a high-quality education to our students. I am excited to begin our work for the second half of the school year to ensure that learning continues and we strive to be a place where all students enjoy learning, develop strong relationships, and continue to grow each day socially, emotionally, spiritually, and academically. As always, thank you for your continued support.

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come." 2 Corinthians 5:17

In Him,
Bobby Hunter

6TH GRADE SCIENCE

Sixth graders are exploring the solar system as part of their studies in astronomy. Groups designed and constructed planetary mobiles. Each team worked to bring a creative spin on their projects. Lab teams used their STEM skills to create unique projects with their own galactic spin.

2ND GRADE FIELD TRIP

Second graders visited Zoo Tampa at Lowry Park recently where they had the opportunity to explore the park as well as have an excavation experience where they washed away the sand to reveal Amethyst, Rose Quartz, "Fools Gold", Emeralds, and many more gemstones. They got to take home their finds as well!

"School Spirit is the Best Spirit"

We are so excited about the addition of THE PORCH to our SPCS campus. The project was just one of the enhancements made possible with funds raised from last year's FUN RUN! We want to thank DAS Construction Services for bringing the vision to life!

Our 2025 FUN RUN is scheduled for Friday 3/7/25!
