HEAR FROM THE HEADMASTER

SPCS Families,

It's hard to believe that we have completed the 4th week of the school year and are almost halfway through the 1st Quarter. Each day I witness the strong commitment of our staff and students to making the most of their time on campus. I see the student's fine work displayed in our hallways, hear the words of our teachers as they work to create successful learners, and feel immense pride when I hear students encouraging and supporting their peers. Whether in the classroom, hallway, or at a sporting event, building each other up helps us all reach our fullest potential.

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." Galatians 6:9

In Him,
Bobby Hunter

ALL ABOUT 8TH GRADE

The yearly tradition continued as 8th graders shared their All About Me projects! The projects will be displayed on the third floor all year long so we can celebrate these awesome students!

ABOUT ME

NATIONAL JUNIOR HONOR SOCIETY

We are proud to announce our newly elected officers for NJHS for the 2024-2025 school year. At our most recent meeting, our 8th grade NJHS members presented their speeches and then voted. Our newly elected officers are: **Ava A.**, President, **Carolyn H.**, Vice President, **Kenley A.**, Secretary, and **Camden R.**, Treasurer. The National Junior Honor Society holds fast to the tenets of leadership, character, integrity, and service. Our 7th graders are invited at the end of the school year based on their GPA and adherence to these traits. They serve in this role during their 8th grade year. Congrats to those stepping up for leadership!

MIDDLE SCHOOL MATH

Mrs. Epstein kept her students busy using Cheez Its to build perfect squares and identify the square root of the square!

2ND GRADE WRITING

Second-grade students finished their first narrative writing assignment titled "My Summer Vacation". Their stories were AMAZING and their friends enjoyed hearing all about their adventures.
