## HEAR FROM THE HEADMASTER

SPCS Family,

Easter is here! I hope that everyone enjoys their four-day weekend filled with time spent with family and friends. Today, in our special Chapel service, we took time to thank our Lord for His sacrifice and celebrate His resurrection. What a blessing it is to serve at a school that openly worships God. I would like to extend a special thank you to everyone that helped coordinate, facilitate, and participate in our special time together.

As we celebrate our Lord's victory over death remember His word "... for an angel of the Lord came down from heaven and, going to the tomb, rolled back the stone and sat on it. His appearance was like lightning, and his clothes were white as snow. The guards were so afraid of him that they shook and became like dead men. The angel said to the women, "Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said." Matthew 28:2-6

Have a great break and God bless!  
Bobby Hunter

## UPCOMING EVENTS

---

# EASTER Baptism

What a blessing to join together as a school community to celebrate His resurrection and also witness the baptisms of treasured SPCS family members. Over 30 students, parents, and siblings, declared their trust in Jesus as their Savior.

"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life." John 3:16

# EASTER Blessings

# EASTER @ SPOS

# 5TH GRADE STATUARY HALL

Our students in 5th Grade did an awesome job with this year's Statuary Hall. The students, dressed in full character, provided wonderful information to their younger peers, and gave them a peek at how much fun 5th Grade is!

## SPCS MOM AND SON ROWDIES NIGHT TAMPA BAY

Thank you to the SPCS moms who spent a night of fun with their son(s) at the home opening night of Rowdies soccer!

# 5TH GRADE MOVIE NIGHT

Fifth graders and their families filled the theater for the King of Kings movie last Friday night. It was a great movie to see with friends.

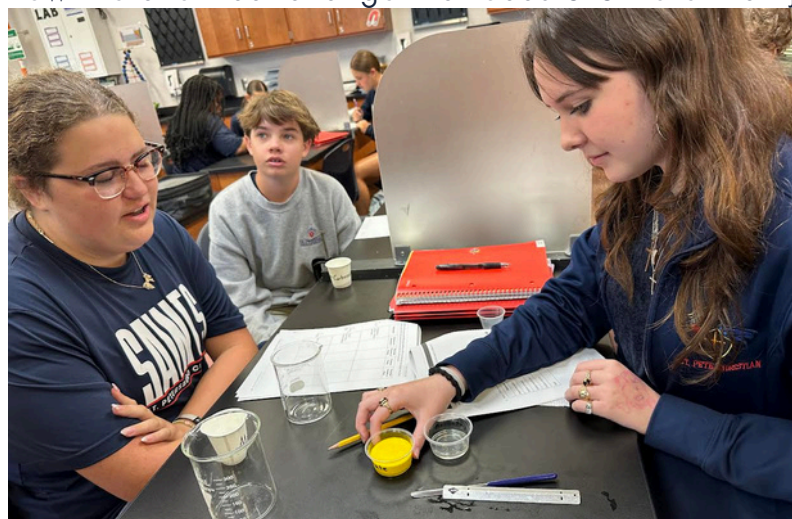

# 2ND GRADE MOSI FIELD TRIP

The 2nd Grade students had a great time at MOSI. They made time for learning and explored the rest of the museum.

# 8TH GRADE SCIENCE

The 8th graders are using their chemistry skills to understand chemical reactions and how different substances create a variety of unique reactions. Students identify the different products created and how the chemical change that occurs is more than just a state of matter shifting.

# 7TH GRADE SCIENCE

Seventh graders wrapped up an amazing year in Life Science with shark dissections. Students were immersed in learning about organisms and their ecosystems, anatomy, physiology, and behaviors. They began the year with smaller, less complex invertebrates and grew their understanding and knowledge. Students completed their exploration of God's unique creatures for the school year with a more complex organism, sharks.

# JOIN US 4 SPCS Night

AT

Monday, April 28, 2025

Mention our school and they will make a donation!

## Painting with SPCS

We invite parents and students to join Miss Greco in creating a colorful masterpiece.

Thursday, May 1 • 6-7:30 PM

\$15 per person

In the main cafeteria

Miss Greco will give step-by-step instructions
