HEAR FROM THE HEADMASTER

SPCS Families,

It was an exciting week kicking off our 5th annual Fun Run. The event on March 4th provides the opportunity for us to come together as a school family and have fun! I understand that the Fun Run coordinators have some great prizes in store including a visit to the candy cart, a week of dress-down days, and an afternoon out of school at Skyzone for those that raise at least \$100! I sincerely appreciate the way that our students, families, teachers, and staff get behind this event - it truly shows what we can accomplish when we all come together!

Our Spring sports seasons are gearing up and I am certain that we will see success from the athletes participating. If you can come to catch a game, match, or meet, please do - you will not be disappointed.

"And let us consider how to stir up one another to love and good works."
Hebrews 10:24

Enjoy your weekend!

8TH GRADE GEOGRAPHY

Dr. G. has the 8th graders brushing up on their geography skills and they are doing a great job!

8TH GRADE ENGLISH

In English class, the 8th graders are reading "The Diary of Anne Frank." They had the opportunity to dress up and act out a scene from the play and did a fine job getting into character!

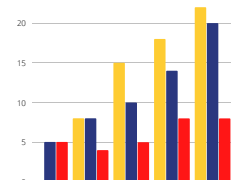

7TH GRADE ENGLISH

In English class, 7th graders acted out scenes from "A Series of Unfortunate Events"! They played "freeze acting." Students had 10 props and had 1 minute to act out the given scene and then freeze! Super fun!

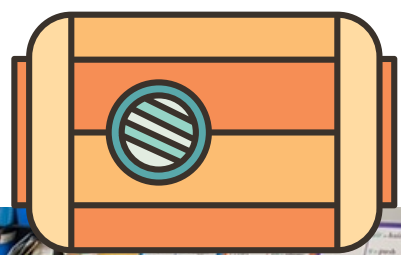

7TH GRADE MATH SKILLS

Today students built relationships out of cubes and then graphed the results to prove the relationship was proportional.

2ND GRADE TIME CAPSULE

On "TWOSday" (2/22/22), the First-grade students made time capsules to open on 3/3/33, during their senior year of high school!

BOWLING UPDATE

The bowling team is off to a good start and there are some strikes in their future!

TRACK UPDATE

The 1st track meet was good and the 2nd was even better. In the first track meet, Katelyn A. placed 2nd in the 100-meter dash and 1st in the 200-meter dash. Mia G. placed 4th in the 1600 meter.

In the second track meet, the girl's team placed 4th overall with Katelyn A. placing 2nd in the 200-meter dash and 3rd in the 100-meter dash. Mia G. placed 4th in the 200-meter dash. Cadence V. placed 3rd in the 100-meter hurdles. The girls 4x100 (Mia G., Zaniyah W., Cadence V., and Katelyn A.) placed 3rd with a time of 57 seconds. Sarah R. placed 5th in the discuss throw.

The boys are reaching personal records and are pressing towards the mark to place with the top runners.

FUN RUN HAS A SWEET KICKOFF

The 5th annual Fun Run kicked off on Wednesday and we are off to a great start. Students were recognized during lunch for creating their fundraising page (freezie pop!) and raising \$100 (visit to the Candy Cart!). We have reached our goal each of the last 4 years, let's pull together and do it again this year!! Thank you for your support!
