HEAR FROM THE HEADMASTER

SPCS Families,

We had a great week on campus! Students in grades 2, 4, and 6 completed the Otis-Lennon School Ability Test (OLSAT). It is a multiple-choice assessment that measures reasoning skills with several different types of verbal, non-verbal, figural, and quantitative reasoning questions. Students rose to the occasion and I anticipate that the results will be positive.

As you see in the picture above, our NJHS students kicked off their annual Laundry of Love event and are collecting coins in car line until next Friday. It is rewarding to see our students share His love and make an impact in our community. They are living up to their "WE SERVE" motto!

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." 1 Peter 4:10

Enjoy your weekend,

Bobby Hunter

UPCOMING EVENTS

Elementary Honors Assembly
4/2/25

Elementary Talent Show
4/9/25

Easter Service
4/17/25

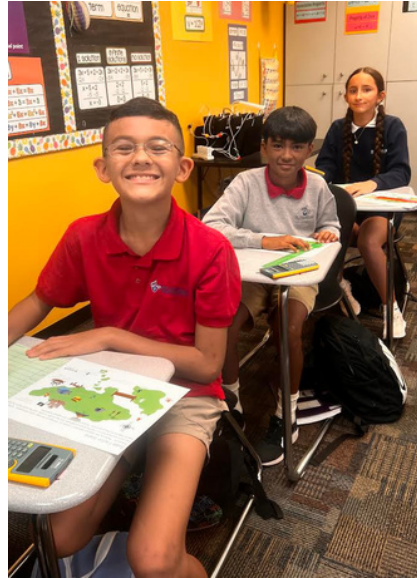

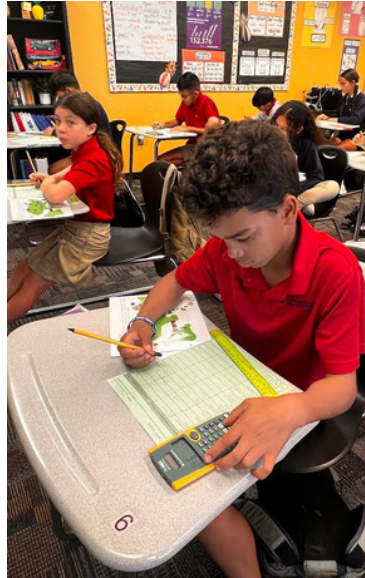

Good Friday - NO SCHOOL
4/18/25

Easter Monday - NO SCHOOL
4/21/25

6TH GRADE MATH

Mrs. Epstein is working with her 6th grade math students to use proportions, to use a scale on a map, and find the actual distance.

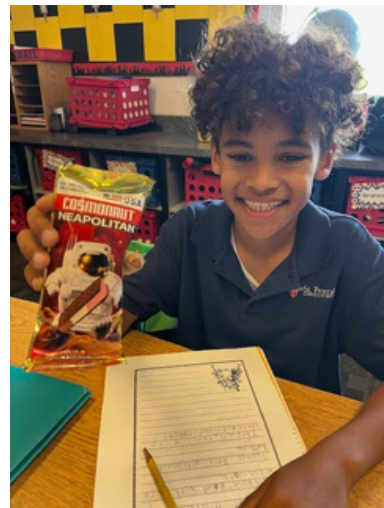

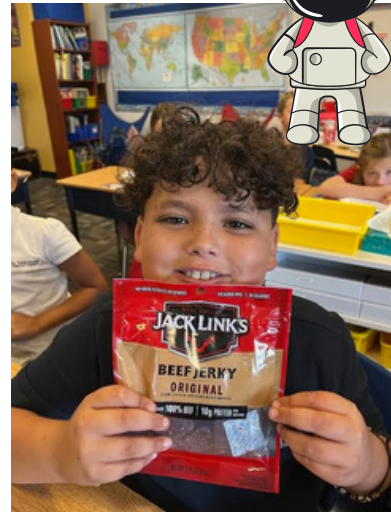

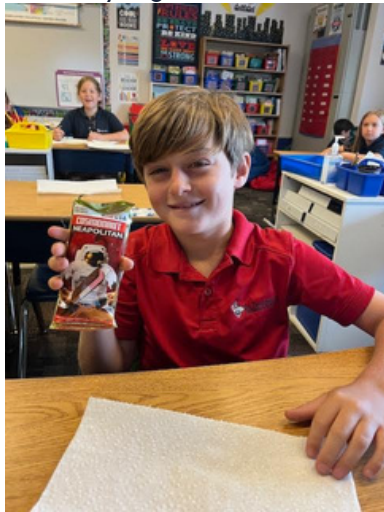

7TH GRADE SCIENCE

Our 7th graders demonstrated their advanced dissection skills as they continue to explore vertebrates. Students are viewing and learning the anatomy and physiology of white rats. Student lab teams supported each other through the dissection process and engaged in hands-on learning.

3RD GRADE GETS READY FOR KENNEDY FIELD TRIP

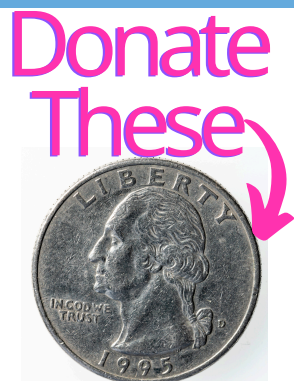

Students are gearing up for their big field trip to Kennedy Space Center - learning a lot and also trying some "astronaut food" like freeze dried fruits and candies.

They also witnessed their own rocket launch using Diet Coke and Mentos!

Each year our NJHS members visit laundromats in the area. Our students pray with families and share the quarters collected on campus. Can you help this year by donating some quarters? Students will be in **car line through April 4th** collecting for this outreach.

this weekend

Corey Strong is a non profit started by the Langlois Family after the loss of Corey LaFave, Computer Teacher, Mr. Langlois' stepson, and SPCS alumni.

Our Computer Teacher, Mr. Langlois and Corey
