## HEAR FROM THE HEADMASTER

SPCS Families,

I was happy to see all our students back on campus and excited about the 75 new students joining our SPCS family. It was good to see our returning students welcoming their new classmates. I know that His love shines through each and every one of them.

There are already events on the calendar to kick the year off! I know many of you are planning to join us for Faith Day at the Tampa Bay Rays game this Saturday. Next Thursday, I look forward to joining our new families in the gym for an Italian dinner and social. We are grateful that you chose SPCS. Please make sure to check the website and weekly SPOTLIGHT for more upcoming events.

"May He give you the desire of your heart and make all your plans succeed." Psalm 20:4

Enjoy your weekend!

In Him,  
Bobby Hunter

### UPCOMING EVENTS

**Tampa Bay Rays Faith Day**  
8/17/24

**New Family Social**  
8/22/24

**Elementary Parent Night**  
8/26/24

# Welcome Back

## S A I N T S

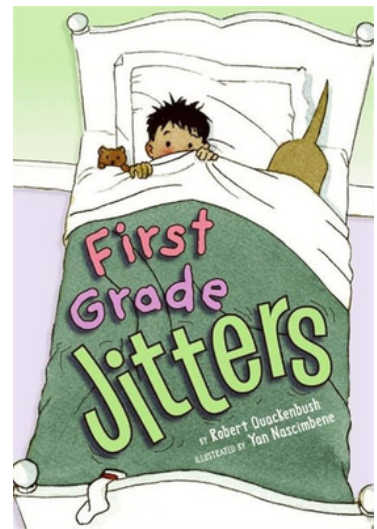

# BACK TO School

# 1ST GRADE

Mrs. Hunter's students went on a 1st Day campus scavenger hunt and enjoyed jitter juice!

# Elementary

## PARENT NIGHT

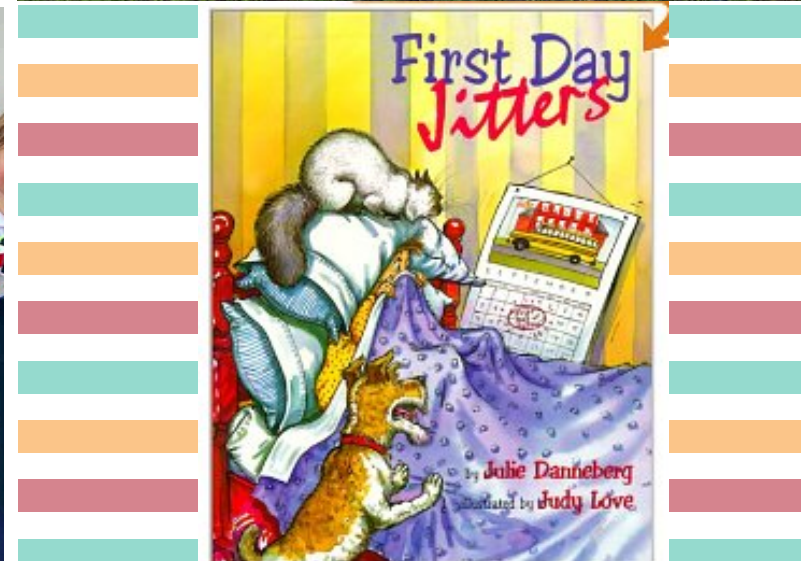

### Monday 8/26/24

Grades K-2  
6-7 PM

Grades 3-5  
7-8 PM

# 2ND GRADE

Mrs. Koon's and Mrs. Pratt's students made jitter juice! Guaranteed to get rid of 1st Day jitters!

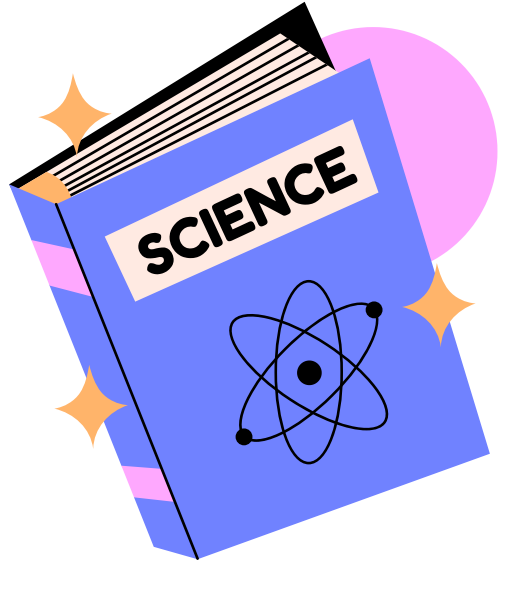

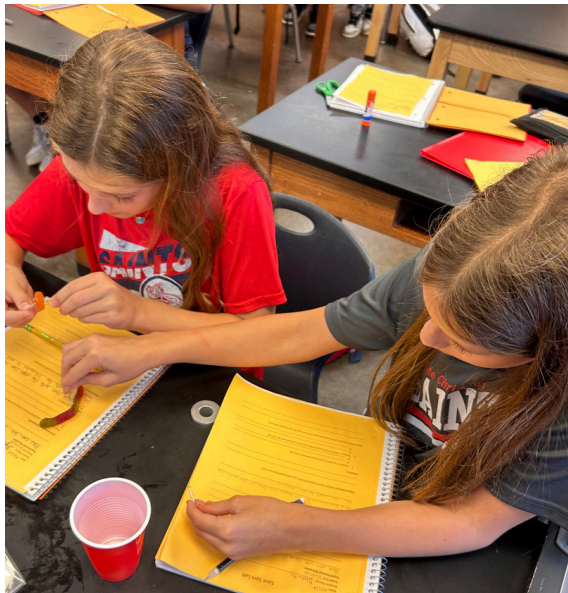

# Picture Day

TUESDAY 8/27/24

# 6TH GRADE SCIENCE

The 6th graders are reviewing the steps of the Scientific Method. Lab partners had to 'save Sam' their gummy worm by creating a hypothesis, performing observations, problem solving and creating procedures, and ultimately drawing a conclusion of what worked best and what was most challenging in their plan.

# MUSIC CLASS

Mrs. Luker's class created and performed rhythm measures in music class!

# MIDDLE SCHOOL SOCIAL STUDIES

Mrs. Boyd has her 6th-8th Grade students working on geography skills using latitude and longitude coordinates in middle school social studies.

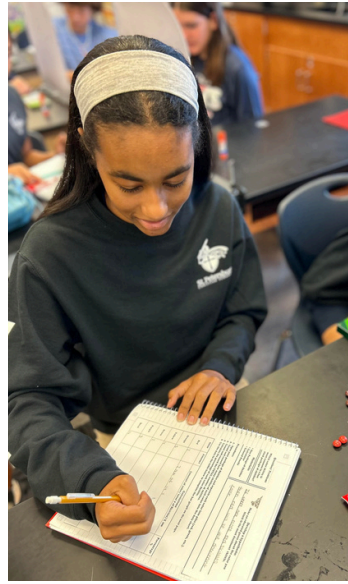

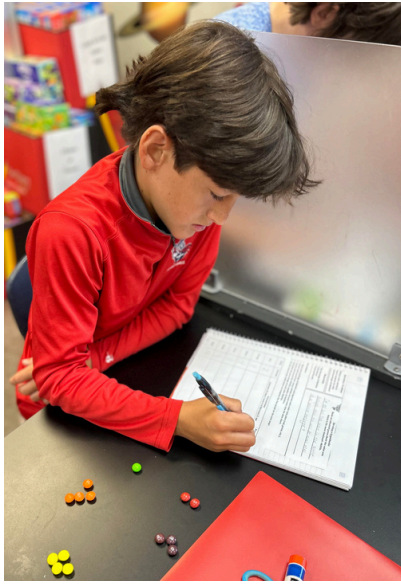

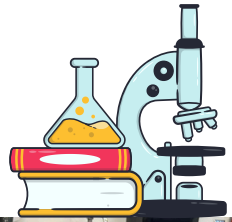

**New Family Social**

**THURSDAY 8/22/24**  
**5:00-6:30 IN THE GYM**

# 8TH GRADE SCIENCE

Our 8th graders are diving into labs as we begin the school year. Groups worked through the steps of the scientific method and tracked their data. Each team presented their results so they could compare and analyze their information.

# FALL SPORTS UPDATE
